Public Servants:- Pension application - explains delay in the disposal of the - of Mr. T.G. Subba Rao, Retired Taluk Sheristedar.

=====

With reference to your letter No: Fl.1203-12 dated 12th January 1926 forwarding a statement showing the number of pension applications pending for more than 6 months, I have the honor to state that the one pending application stated to have been delayed for more than six months relates to the case of one Mr. T.G.Subba Rao, Sheristedar, Manjarabad Taluk who retired from service with effect from 5th September 1925. His pension application was prepared and sent to the Comptroller on 14th October 1925 for sanction. The Comptroller sanctioned an anticipatory pension of Rs. 20/- and returned the pension papers desiring that sanction of Government should be obtained to count the service rendered by Mr. Subba Rao, as cashier of the City Improvement Trust Board Office, Mysore, from 20th February 1904 to 30th April 1908 as fit for pension. Thereupon the Revenue Commissioner on 12th February 1926 was moved to obtain the sanction of Government as required. The papers were returned to this office for ascertaining from the Chairman of the City Improvement Board, Mysore, whether Mr. Subba Rao was employed in that office as cashier during the

P T O

the said periods in a continuous vacancy in which no other officer had a lien. This information was received from that officer after a month and five days, and the same was forwarded to the Revenue Commissioner on 11th June 1926.

The sanction of Government to the proposal was communicated by the Revenue Commissioner with his reference No: D_2.Dis. 209/26-27 dated 20th July 1926/2nd August 1926 and all the pension papers were forwarded to the Comptroller from this office with No: Pen.7-25 on 10th August 1926.

It may therefore be seen that the subject was under correspondence all the while which resulted in the delay observed which was unavoidable.

The application for gratuity together with all the pension papers of the retired conductress was forwarded to the Comptroller with this office letter No. C. 238 of 25-26 dated 29th August 1925. On this, some objections were raised in Memo No. 70/P.A. 15051 dated 29th September 1925 from the Comptroller, one of the items being to the effect that Baraward extracts for certain periods should be forwarded. Owing to correspondence with the Treasury Authorities and the subordinate office for obtaining the information required by the Comptroller, the objection could not be replied to, till 2nd July 1926, on which date the pension papers were returned to the Comptroller together with the information called for.

SIR,

With reference to your letter No.Fl.1203-12/ dated 11th August 1926 directing early disposal of one pension application reported to you by the Comptroller as pending in this Office for more than 3 months and calling for a report as regards the delay etc., I have the honour to state that the Comptroller who was requested to specify the case reported by him as pending with the Revenue Commissioner for more than three months, states that it is the case of one A. Srinivasa Rao late Senior Gumasta of the Hiriyur Taluk Office and that this has been recently disposed of finally.

As regards the delay in the disposal of the pension question, I beg to invite the kind reference of Government to correspondence ending with this Office letter No.C. 3749/23-24 dated 29th April 1926 to the address of the Chief Secretary, in the matter. It will be seen from the correspondence that the District Office clerk who was found to have delayed the preparation of the pension papers has been fined Rs 10/- and warned to be more careful in future.

A report is still due from the Deputy Commissioner as regards the prayer of Srinivasa Rao for treating certain acting periods of his service as Senior Gumasta as permanent for the purposes of pension. But as the Comptroller intimates that the case has been finally disposed of, I am addressing the Deputy Commissioner as to how he has dealt with the prayer of the pensioner for enhanced pensio

Adverting to your letter No.Fl.1203-12 dated 11th August 1926 directing that the pension application then pending in this office for over 6 months may be disposed of expeditiously and that a report be submitted with explanation for delay, I have the honor to state that in the case in question the pension papers were forwarded to the Comptroller to Government on 15th July 1926 and the pension payment order No. 105 dated 27th September 1926 was received from the Comptroller here on the 30th September 1926 and forwarded to the Amildar, Hiriyur Taluk for communication to the pensioner K. Seshappa, retired Deputy Gumasta Hiriyur Taluk.

2. The cause for the delay in the submission of the papers and the action taken to suitably punish the officials responsible for it have been set forth in detail in this office letter No.M-1.Pen.6/25-26 date 25th September 1926 to the Revenue Commissioner in Mysore, a copy of which is enclosed for favor of reference.

=========

With reference to your docket No.Pet.1198/25-26 dated the 20th July and subsequent reminders thereon and telegram of the 24th instant calling for a report of the action taken in the matter of the delay in the submission of the ~~xxxxxx~~ pension papers of K.Seshappa, retired Deputy Gumasta, Hiriyur Taluk, I have the honor to state that on an examination of the record I find that during the period of 2 years and 7½ months that intervene between the date of (26-11-23) of the receipt of your office order sanctioning the retirement of the official and that (14-7-26) on which the pension papers were submitted to the Comptroller, the case was under correspondence between this, the Sub Division, and the Taluk offices for obtaining information regarding the services and that papers had been kept by long without being attended to , by the Taluk office, Hiriyur, for a period of 3½ months in the 1st instance (from 9-12-23 to 28-3-24) and later on for about 7½ months (from 4-11-25 to 22-6-26) and in the District office for about 1 year and 3 month and 22 days, from 8-7-24 to 30-10-25. These delays call for special remarks. As regards the delay of 3½ months on the 1st occasion in the Hiriyur Taluk office , Mr.H.Narayana Rao, the then Amildar of the Hiriyur Taluk may be called upon to submit his explanation, the present Amildar Mr.R.Shama Iyengar not having accounted for it. The 2nd delay of about 7½ months from 4-11-25 to 22-6-26 is explained by Ramanna, Senior Gumasta of the Taluk who dealt with the paper as being due to correspondence between that office, the Harihar Municipal office and the Jagalur Taluk office in order to collect information necessary for the disposal of the case. This explanation has been accepted as recommended by the Amildar. As regards the delay of 1 year and 3½ months in the District office, it is found that the records had passed into the hands of C.R.Puttanna, A.V. Clerk and C.S.Bhujanga Rao. The former in his explanation states that he is not a case worker, that he kept the records for the District Sheristedar and that he is not therefore responsible for the delay; and the latter says that he took action immediately he received the records from the former under directions from the District Sheristedar the date of such receipt not being mentioned either by Puttanna or Bhujanga Rao.. I find that the explanations of neither of the officials is satisfactory or as acceptable, particularly that of Puttanna (the then A.V.Clerk

this office) who has often been found fault with and punished with fine for his having kept back papers without registering and referring them to case workers. I have therefore fined Puttanna Rs 6/- and Bhujanga Rao Rs 4/-.

2. The records relating to the case ~~and~~ are submitted herewith for reference and kind return.

Sir,

Please see overleaf

2. A statement (D), showing the periods from which the cases are pending with the several officers concerned, is also appended for the information of Government.

3. It will be seen that pension cases take unusually long to get settled and the ideal position in which a retired officer should get his pension within one month after his retirement and on the pay day following that on which he draws his pay for the last time, is still far off. If material required for pension cases is kept ready and pension papers are dealt with expeditiously in all offices there is no reason why the condition above referred to should not be attained. I shall look into the matter and shall submit separately a report explaining the reasons for the delay now occurring and the remedies that should be applied thereon.
